Dear Parent:

A policy of the National Space Society requires that the use of student names and photographs on any web-based or paper-based public domain materials should be parent approved. Therefore, the purpose of this notice is to acquire your signature for your son or daughter's photograph and work can be used on the National Space Society web pages, flyers, and International Space Development Conference materials, such as the program book.

As parent/guardian of _____, I authorize The National Space Society to use the name and photographs of my son/daughter on their web-based and paper-based materials.

Please read and sign the release below and return it as soon as possible to:
